**1.3.3**
**Does your university as a body provide support for students from low-income families to enable them to complete university?**

## FREE MEAL AND FOOD SUPPORT

### FREE MEAL PROGRAM

In appreciation of the enthusiastic response from more than 1,000 new students joining the May 2025 intake, Universiti Poly-Tech Malaysia (UPTM) distributed 1,100 free meal packs to students on 21 May 2025 (Wednesday) at the UPTM Main Lobby. This initiative welcomed new students while supporting UPTM's efforts to advance the Sustainable Development Goals (SDGs) on campus. Heartfelt appreciation goes to the Student Representative Council (MPP), the Facilitator Club and all UPTM staff who worked tirelessly to make the distribution a success.

# RAHMAH CENTRE

The Rahmah Centre is one of UPTM's student welfare initiatives aimed at providing accessible food assistance to students who are in need or experiencing financial difficulties. Through this initiative, students may obtain available food items and selected basic food essentials from the centre to support their daily needs.

The initiative provides students with convenient access to essential food supplies within the campus, particularly for those who may face difficulties in meeting their daily living expenses. By providing this support, UPTM aims to ease the cost of living, reduce students' financial burden and support their overall well-being, enabling them to focus on their studies in a more supportive environment.

## SUMBANGAN KEPRIHATINAN BUAT PELAJAR ASNAF UPTM

Universiti Poly-Tech Malaysia (UPTM) is deeply honoured to have received a generous contribution of rice from YBhg. Tan Sri Wan Azmi Wan Hamzah, a corporate leader, in support of underprivileged (asnaf) students. On 1 October 2025, 100 bags of rice, weighing 5 kg each, were distributed free of charge at the Rahmah Center, from 2.00 p.m. to 5.00 p.m., to students living outside university accommodation.

The distribution was conducted on a first-come, first-served basis, with each eligible household receiving one bag, provided that the majority of its residents were UPTM students. This contribution helped ease students' daily living expenses and improve their access to basic food necessities, reflecting the values of compassion and community solidarity in supporting the younger generation.

UPTM extends its heartfelt appreciation and deepest gratitude to YBhg. Tan Sri Wan Azmi Wan Hamzah for his generosity. His support demonstrates how collective care can make a meaningful difference in nurturing students' well-being, resilience and academic success.

# FOOD TRUCK

In collaboration with the Federal Territories Islamic Religious Council (MAIWP)**,** UPTM provides free meals to students through the Food Truck Programme as part of its continuous effort to strengthen student welfare and food support on campus. The programme operates twice a week, every Tuesday and Thursday**,** with 150 meals distributed per session**.** This amounts to approximately 300 meals provided to students every week**,** ensuring regular access to prepared meals for students on campus.

Beyond providing food assistance, the programme helps students reduce their daily meal expenses and manage their cost of living more effectively**.** Through this collaboration, UPTM and MAIWP contribute towards easing students' financial burden while supporting their welfare and well-being throughout their university journey.

**MAHLIGAI BAZAAR UPTM RAMADAN 2025**

The Mahligai Bazaar UPTM Ramadan 2025 was held on 3, 4, 10, 11, 17, and 18 March 2025, from 4:00 p.m. to 8:00 p.m. at the UPTM car park.

## RIANG RIA RAMADAN" CELEBRATION WITH ORPHANS AND THE UNDERPRIVILEGED (*ASNAF*)

On a blessed evening, the *Riang Ria Ramadan* Celebration was held to honor the orphans and underprivileged (*asnaf*) students from Akademi Tahfiz al-Hidayah. A total of 42 *tahfiz* students and 30 UPTM students received *duit raya* (festive financial gifts) during the program, which was organized by Early Childhood Education students (BE202) under the guidance of Ustaz Marzuki Mohd Ali. The program was led by Program Director Nor Shalini Mohamad.

Various activities, including ice-breaking sessions, interactive games, congregational prayers, an Asr lecture, and Tarawih prayers, were conducted to foster closer ties between UPTM and *tahfiz* students. Iftar (breaking of fast) meals, beverages, and *moreh* (supper) refreshments were generously sponsored by McDonald's Malaysia. The event was also attended by Tuan Haji Yahya Musa (representing the Deputy Vice-Chancellor of HEPA), Dr. Ilyani Idris (Deputy Dean of FESSH), along with lecturers and staff of UPTM. Highest appreciation is also extended to the Vice-Chancellor, Deputy Vice-Chancellor (Academic & International), Deputy Vice-Chancellor (HEPA), and the Registrar's Office for their unwavering support. May this program inspire more welfare initiatives in the future, particularly during the holy month of Ramadan.

Selfie time!

# KASIH MADANI RAMADAN

On 14 March 2025, Universiti Poly-Tech Malaysia (UPTM) hosted the distribution of donated baju Melayu and baju kurung under the Kasih Madani Ramadan programme, alongside an iftar gathering. UPTM's positive response and cooperation facilitated the distribution of assistance to eligible students. Organised by PRIHATIN with contributions from the Federal Territories Islamic Religious Council (MAIWP), the initiative aimed to support students in need and bring joy during Ramadan.

# RAHMAH MADANI RAMADAN MAIWP

Kuala Lumpur, March 21, 2025 - Universiti Poly-Tech Malaysia (UPTM), through an initiative by the Federal Territory Islamic Religious Council (MAIWP), has launched the Jom Balik Raya Bersama Mahasiswa 2025 (Let's Go Home for Raya with Students 2025) program, allocating RM550,000.00 in travel assistance this year.

This marks the second year of collaboration between UPTM and MAIWP in ensuring that the welfare of UPTM students remains protected, while simultaneously easing their financial burden to return home and celebrate Hari Raya Aidilfitri with their families. Responding to the Rahmah Madani Ramadan Initiative, this hometown travel assistance program is expected to benefit 2,100 UPTM students, a significant increase from 460 students last year.

The contribution covers airfares, bus tickets, and an RM100 pocket money allowance for each student to use during their journey home. A total of 2,000 students travelling across Peninsular Malaysia and 100 students heading to Sabah and Sarawak will receive sponsored travel arrangements to their respective hometowns.

Highest appreciation and millions of thanks are extended to MAIWP and PPZ for this generous contribution.

## UPTM CARES FOR STUDENT WELFARE: "JOM BALIK RAYA BERSAMA MAHASISWA 2025" PROGRAM

This welfare initiative is primarily anchored on SDG 1 (No Poverty) through the provision of social protection support and financial assistance to alleviate the burden of living costs and transportation expenses for out-of-town Muslim students returning to their hometowns across the Northern, Southern, East Coast, and Borneo zones—excluding those from the Federal Territory, Putrajaya, and Negeri Sembilan. This targeted aid directly reinforces SDG 4 (Quality Education) by ensuring that the welfare and emotional well-being of the students are safeguarded, thereby reducing academic focus lapses caused by financial stress. Furthermore, the inclusive coordination of the program across these various zones also supports SDG 10 (Reduced Inequalities) by closing the gap in aid access and ensuring that no student group is marginalized from receiving institutional welfare support. To ensure smooth processing and a seamless journey home, eligible students must fill out the application form completely and accurately via the provided Google Form link using their official student email before the deadline on 6 March 2025.

# OTHER AMENITIES

# MEDICAL SUPPORT

The Medical and Welfare Unit at Universiti Poly-Tech Malaysia (UPTM) is dedicated to ensuring the health and well-being of its students through various support services. The unit provides medical assurance letters to hospitals upon students' requests to facilitate treatment access including sick bay and wheel chair. It also assists in managing medical claims, ensuring that students receive the financial aid or reimbursements they are entitled to.

In addition, the unit offers support to students facing medical problems, ensuring they receive proper medical attention and guidance. This proactive approach reflects UPTM's commitment to creating a caring and supportive campus environment where students' health needs are prioritized.

# ACCESSIBLE CAMPUS: RAMPS FOR INCLUSIVE MOBILITY

UPTM provides access ramps at campus entrances and along internal routes to support mobility for persons with disabilities, including wheelchair users. These facilities help students, staff and visitors move between different floor levels and access campus spaces, supporting a more inclusive learning and working environment. UPTM is committed to providing an inclusive, accessible and supportive campus environment for students with disabilities (OKU). The University strives to ensure that students with disabilities are provided with appropriate financial support and accessible campus facilities to facilitate their participation in university life.

UPTM provides facilities that support accessibility and mobility for students with disabilities. These include accessible toilets (OKU facilities) at various locations on campus and wheelchair-accessible ramps and pathways to facilitate movement between designated areas and facilities.
These facilities are part of UPTM's commitment to creating a campus environment that is accessible, inclusive and supportive of students with different mobility needs.

# ACCOMMODATIONS

Student Accommodation Unit assists students in their search for accommodation while studying at the institution. Presently, the unit is responsible for the management of Desa Siswi Hostel and Sri Pandan Condominium

The accommodation unit is able to place students into one of these three location every semester. The hostels are managed by Resident Assistants (RA) who assist students in every aspect possible besides being responsible for their welfare and well-being. Rules and regulation are strictly enforced to ensure a harmonious atmosphere around the hostels and for the sake of the students as well.

Students who rather live off-campus, the unit will assist them by recommending rented homes in the nearby area of the institution. A good rapport with all housing agencies, and the local town-hall authorities (Dewan Bandaraya Kuala Lumpur, DBKL) is important to ensure the welfare and safety of the students

## DESA SISWI HOSTEL

Desa Siswi is an all-female student residency located near the College. It is well maintained and supervised by a resident fellow and is guarded 24-7. Access to the residence is restricted to family members only.

## SRI PANDAN CONDOMINIUM

Sri Pandan is a condominium located within Pandan Indah. Just like any other condominiums, 24-hour security is provided. In addition, Sri Pandan Condominium is surrounded by a variety of amenities all within a mere short drive out.

# COUNSELING AND ALUMNI DIVISION

The Counseling and Alumni Division of the Student Development & Campus Lifestyle is realised to ensure all UPTM students are capable to enhance their talents by utilising their true potentials in a positive and proactive manner. Furthermore, this division also communicates closely with UPTM alumni in compiling and updating their database as well as cultivating a sense of belonging among them.

The services provided include individual and group counselling, as well as talks, workshops and seminars on motivation, time and stress management, learning techniques, career development, CV writing and team building. Other services include compiling and analysing graduate employability statistics and facilitating communication between alumni and UPTM.

The university plays an active role in mediating and managing students' insurance claims, ensuring a smooth and efficient process. UPTM also oversees the distribution of insurance claim checks to eligible students.

This initiative demonstrates UPTM's commitment to student welfare and well-being, offering peace of mind to students and their families by minimizing financial concerns arising from unforeseen incidents. It aligns with Sustainable Development Goal (SDG) 3: Good Health and Well-being, by ensuring students have access to safety and support mechanisms that contribute to a secure and healthy learning environment.
