RIANG RIA RAMADAN" CELEBRATION WITH ORPHANS AND THE UNDERPRIVILEGED (*ASNAF*)

On a blessed evening, the *Riang Ria Ramadan* Celebration was held to honor the orphans and underprivileged (*asnaf*) students from Akademi Tahfiz al-Hidayah. A total of 42 *tahfiz* students and 30 UPTM students received *duit raya* (festive financial gifts) during the program, which was organized by Early Childhood Education students (BE202) under the guidance of Ustaz Marzuki Mohd Ali. The program was led by Program Director Nor Shalini Mohamad.Various activities, including ice-breaking sessions, interactive games, congregational prayers, an Asr lecture, and Tarawih prayers, were conducted to foster closer ties between UPTM and *tahfiz* students. Iftar (breaking of fast) meals, beverages, and *moreh* (supper) refreshments were generously sponsored by McDonald's Malaysia.

AMAZING SYAWAL UPTM 2025 CELEBRATION

Kuala Lumpur, 10 April 2025 – Universiti Poly-Tech Malaysia (UPTM) hosted the Amazing Syawal UPTM 2025 celebration, bringing together the Right Honourable Deputy Prime Minister, Dato' Seri Dr. Ahmad Zahid bin Hamidi, distinguished guests and the university community to celebrate Aidilfitri. The event attracted many guests, creating a warm and festive atmosphere.

The celebration highlighted several significant milestones, including UPTM's position as the second university under the Ministry of Rural and Regional Development (KKDW), after Universiti Kuala Lumpur (UniKL), and its recognition as an ACCA Platinum Approved Learning Partner. It also marked the launch of the AI-EduTech Centre of Excellence in collaboration with TM One and the official appointment of expert advisers to the Institute of Bumiputera Economic Studies (IKEB).

A key highlight was the exchange of a Memorandum of Understanding (MoU) between MARA and the Malaysian Communications and Multimedia Commission (MCMC), represented by MARA Director-General Dato' Zulfikri bin Osman and MCMC Chief Enforcement Officer Puan Eneng Faridah binti Iskandar. The collaboration aims to improve the quality of internet connectivity at 92 MARA educational institution locations.

Beyond celebrating Aidilfitri, the gathering strengthened relationships among government agencies, industry partners and the university community, supporting continued collaboration in education and digital development.

LIVE: ACCA PROFESSIONALISM & CAREER PATHWAYS IN ACCOUNTING

UPTM hosted a live session on 4 June 2025 at 12:30 PM via its official TikTok and Instagram accounts, @uptm_official, exploring ACCA qualifications and career opportunities in accounting. The session was open to the public, allowing anyone, anywhere to join online. It featured Dr. Azwanis Azemi, Deputy Dean of the Institute of Professional Studies (IPS); Zaeisya Amalin Zaihan, Head of the ACCA Programme; and Balqis Johana Benji Johan, an AFIA student. Viewers gained insights into how ACCA qualifications could open doors to global careers, heard experiences from educators and students, and had the opportunity to ask questions live.

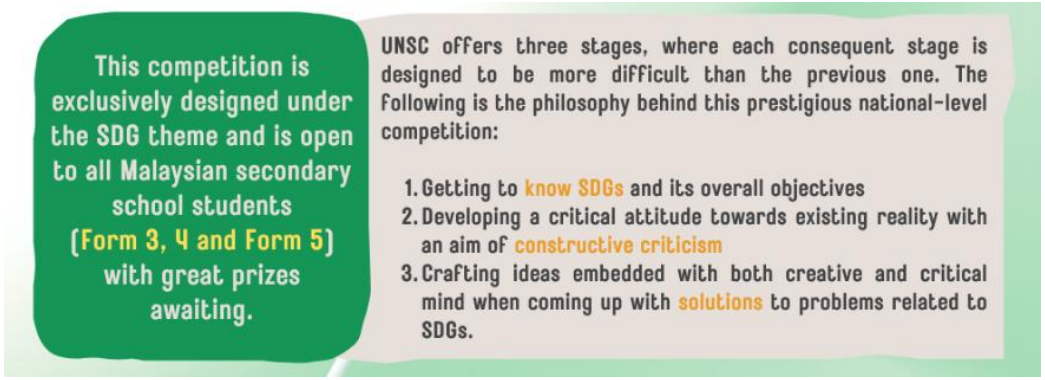

UPTM NATIONAL SDG CHALLENGE 2025

The United Nations Sustainable Development Goals Challenge (UNSC) is a national competition cantered on the United Nations Sustainable Development Goals (SDGs) and is open to Form 3, Form 4, and Form 5 secondary school students throughout Malaysia. The competition provides participants with an opportunity to showcase their ideas and compete for attractive prizes.

The UNSC consists of three progressively challenging stages, designed to deepen participants' understanding and application of the SDGs. The competition aims to:

Enhance students' awareness and understanding of the United Nations Sustainable Development Goals (SDGs) and their overall objectives. Foster critical thinking by encouraging participants to critically evaluate current issues and propose constructive perspectives.

Inspire innovative solutions by integrating creative and critical thinking to address real-world challenges related to the SDGs.Through this initiative, students are empowered to become informed, responsible, and innovative future leaders who contribute towards sustainable development and the achievement of the United Nations Sustainable Development Goals (SDGs).

The competition consists of three progressively challenging stages**,** each requiring contestants to demonstrate their understanding of the Sustainable Development Goals (SDGs) while applying increasingly advanced creative and critical thinking skills**.**

NATIONAL ROUNDTABLE DISCUSSION ON HUMANISTIC EDUCATION: DRIVING THE DEVELOPMENT OF A MADANI NATION

Universiti Poly-Tech Malaysia (UPTM) organised the National Roundtable Discussion on Humanistic Education on 18 September 2025 at Dewan Nilam, UPTM.The programme brought together academic leaders, administrators and scholars from various private higher education institutions to discuss the challenges, approaches and future direction of General Studies Subjects (MPU). The discussions highlighted MPU's role in nurturing well-rounded individuals, promoting intellectual and spiritual development, and advancing national development and the aspirations of a MADANI nation.

The event began with welcoming remarks by Associate Professor Dr. Sharifah Syahirah Sy Shiekh, Vice-Chancellor of UPTM, followed by a keynote address entitled "Strengthening Malaysian Nationhood," delivered by Distinguished Professor Datuk Dr. Shamsul Amri Baharuddin, Director of the Institute of Ethnic Studies, Universiti Kebangsaan Malaysia. The programme featured two main discussion sessions focusing on the role of MPU in strengthening a MADANI nation and enhancing its implementation within the private higher education system.

Representatives from 18 private universities attended, including Al-Madinah International University, Asia e University, Asia Pacific University of Technology and Innovation (APU), City University, HELP University, IMU University, Sunway University and Sunway College, Swinburne University of Technology Sarawak, UCSI University, Universiti Tun Abdul Razak (UNIRAZAK), Universiti Tenaga Nasional (UNITEN), Universiti Islam Selangor (UIS), Universiti Kuala Lumpur (UniKL), Multimedia University (MMU), Universiti Tunku Abdul Rahman (UTAR), and International University of Malaya-Wales (IUMW).

WORKING VISIT BY UNIVERSITI MALAYSIA TERENGGANU (UMT) TO UPTM STUDENT RESIDENCE 2025

A working visit by the Administration and Finance Section, Residential College of Universiti Malaysia Terengganu (UMT) was held on 9 October 2025 (Thursday) at the Student Residence, Universiti Poly-Tech Malaysia (UPTM). The visit aimed to strengthen institutional relationships and facilitate knowledge sharing on student accommodation management, residential facilities, and administrative practices. Through professional discussions and the exchange of information, representatives from both universities had the opportunity to share insights into residential operations, facility management, student welfare services, and approaches to enhancing the overall student living experience. The engagement also provided a valuable platform to explore best practices in residential administration and identify opportunities for continuous improvement in accommodation services. This initiative reflected UPTM's commitment to fostering institutional collaboration, strengthening operational efficiency, and providing a safe, comfortable, and supportive residential environment for students. The programme aligns with SDG 4 (Quality Education) by supporting a conducive residential environment that enhances students' learning experiences, SDG 11 (Sustainable Cities and Communities) by encouraging effective management and improvement of student residential facilities, and SDG 17 (Partnerships for the Goals) by promoting knowledge sharing and institutional collaboration between higher education institutions.
