4.3.1

Does your university as a body provide free access to educational resources for those not studying at the university?

- **free access to campus facilities and equipment**

Universiti Poly-Tech Malaysia (UPTM) warmly welcomes members of the public to explore, learn and grow through free access to its campus facilities and educational equipment. By opening its doors to the wider community, UPTM creates opportunities for everyone to benefit from educational resources and embrace lifelong learning.

UPTM NEW STUDENT REGISTRATION DAY – 0525 INTAKE

Welcome to Universiti Poly-Tech Malaysia! UPTM welcomes new students for the 0525 intake. Faces filled with hope, enthusiasm and ambition have brought the campus to life, creating a vibrant atmosphere from the start of the day.

MYFUTUREJOBS, PERKESO AND UPTM MINI CAREER CARNIVAL

On 19 February 2025, the MyFutureJobs x UPTM Mini Career Carnival was held at the Al-Khawarizmi Library, organised by the Counselling, Career & Alumni Sector in collaboration with the Ministry of Human Resources, PERKESO and Universiti Poly-Tech Malaysia (UPTM). Open to students, graduates, alumni and any member of the public interested in exploring employment opportunities, the event provided a welcoming platform to connect with employers and gain valuable career insights.

The carnival provided a valuable platform for UPTM graduates to explore employment opportunities. It also aimed to help final-year students gain insights into the job market, enhance graduate employability and promote MyFutureJobs as a platform for finding employment.
Participating companies included Datasonic, AEON, Global I Exceed Management Sdn Bhd, Inter Island, Starbucks, ITAC, Skillset Recruitment Agency, Jobstreet by SEEK and LTH Group Asia, offering a range of employment opportunities. Activities included walk-in interviews, career exhibitions, a résumé clinic and jobseeker registration through the MyFutureJobs platform.

COMMUNITY SPORTS LEAGUE 2025

UPTM's Fiesta Sukan Santai, held on 21 June 2025, was part of the Cheras/Bandar Tun Razak-level Community Sports League. Hosted at UPTM and Taman Pudu Ulu, the event welcomed active participation from students and the local community.

Among the featured sports were netball, ping pong, and sepak takraw. UPTM's Netball Club, STINGERS proudly emerged as Champions in the women's netball category. The team will represent the district at the state-level championship on 12 July 2025 at Universiti Malaya. This milestone reflects UPTM's commitment to empowering students through sports and strengthening engagement with the wider community.

FIESTA RAKAN MUDA & LEMBAYUNG KEMERDEKAAN (OPEN DAY UPTM)

Universiti Poly-Tech Malaysia (UPTM) welcomed students, parents and members of the public to its Open Day on 30 August 2025 (Saturday), from 9.00 a.m. to 5.00 p.m. at its Kuala Lumpur campus. Visitors had the opportunity to explore study programmes ranging from certificates to degrees, learn about career pathways, discover the campus and its modern facilities, and obtain information on financial assistance options, including PTPTN and MARA. The event also featured a variety of engaging activities and provided a platform for prospective students and their families to ask questions and make informed decisions about their educational future.

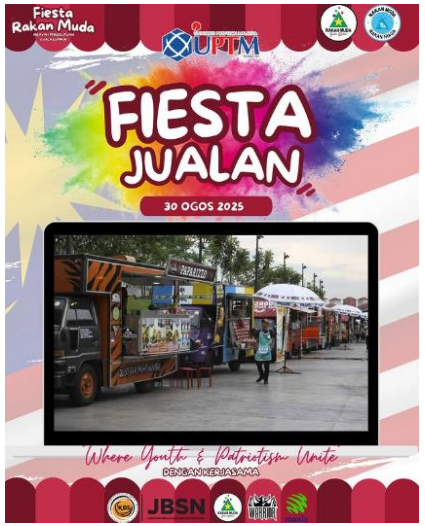

Fiesta Rakan Muda 2025 was held on 30 August 2025 at the Universiti Poly-Tech Malaysia (UPTM) grounds, from 8.00 a.m. to midnight. Bringing together sports, arts and community activities, the fiesta offered young people opportunities to explore their interests, challenge themselves and connect with their peers. Highlights included interactive activities, various competitions and a range of engaging exhibition booths.

FUNTASTIC KIDS' PROGRAM

Organised by The Magnificent Society Club on 1 November 2025, the event successfully brought together approximately 200 children and parents from Kuala Lumpur and Selangor for a day filled with joy, creativity and laughter. Early Childhood Education students showcased their talents through engaging games and lively performances, creating memorable experiences for the children. In collaboration with Klinik Kesihatan Cheras, the event also offered basic health check-ups for children and parents, promoting health awareness alongside fun and learning.

LOCAL VISIT

POSTGRADUATE DIPLOMA IN EDUCATION GATHERING – 0825 SESSION

The BE301 Postgraduate Diploma in Education programme, Semester 1 of the 0825 session, brought together 164 participants from across the country, making this the largest cohort since the programme was introduced.

The programme gathered teachers from various MARA educational institutions nationwide, including MRSM, IKM, KPM and others. FELDA-sponsored participants from MRSM Ulul Albab FELDA Trolak also joined the programme.

The first semester's face-to-face classes were held over nine days in Kuala Lumpur to fulfil the required in-person contact hours. The programme also aimed to enrich academic knowledge, develop character, nurture leadership and strengthen connections among members of the MARA community.

VISIT BY STUDENTS FROM SMK DABONG

On 25 September 2025**,** Universiti Poly-Tech Malaysia (UPTM) welcomed students from SMK Dabong, Kuala Krai, Kelantan**,** for a campus visit. Through engaging activities and informative sessions on academic programmes, the students explored opportunities to pursue higher education and gained insights into university life. UPTM extends its appreciation to all participating students and hopes the visit inspired them to pursue their academic aspirations with confidence.

VISIT BY SEKOLAH MENENGAH TEKNIK KUALA LUMPUR (SMTKL)

VISIT BY KPTM IPOH

Kolej Poly-Tech MARA (KPTM) Ipoh visited Universiti Poly-Tech Malaysia (UPTM) today as part of an initiative to learn more about the academic programmes offered at the university and explore opportunities for further study.

INTERNATIONAL VISIT

OSNABRÜCK UNIVERSITY OF APPLIED SCIENCES GERMANY

Universiti Poly-Tech Malaysia (UPTM) welcomed a delegation from Osnabrück University of Applied Sciences (OUAS) on 9 September 2025 at Dewan Nilam, UPTM. A key highlight of the visit was the signing of a Memorandum of Understanding (MoU) by UPTM Vice-Chancellor Assoc. Prof. Dr. Sharifah Syahirah Sy Shiekh, Deputy Vice-Chancellor (Academic & Internationalization) Prof. Ts. Dr. Zahrah Yahya, and OUAS representative Prof. Dr. Peter Mayer. The visit strengthened ties between the two universities and formalised their commitment to academic cooperation and international mobility initiatives.

UNIVERSITY OF OTAGO, NEW ZEALAND

University Poly-Tech Malaysia (UPTM) was honoured to receive Prof. Jessica Palmer, Deputy Vice Chancellor (External Engagement), and Shelagh Murray, Deputy Alumni & Development, from the University of Otago, New Zealand. Their visit was part of a return engagement, following the earlier visit of Assoc. Prof. Dr. Sharifah Syahirah binti Sy Shiekh, Vice Chancellor of University Poly-Tech Malaysia (UPTM), to New Zealand.

LIBYAN DAMAI EXPATRIATE SCHOOL

UPTM welcomed a visit from Libyan Damai Expatriate School, based in Ampang, Selangor. The purpose of this visit was to provide students with the experience of being at an internationally recognized university, UPTM. Accompanying the visit were Teacher Halima, Principal of Libyan Damai Expatriate School, and Professor Dr. Imad Abu Al-Saud, Supervisor of the Department of Physics and Science at Libyan Damai Expatriate School.

UNIVERSITAS NASIONAL INDONESIA (UNAS)

UPTM welcomed a return visit from the Faculty of Communication and Information Technology (FTKI), Universitas Nasional Indonesia (UNAS), following UPTM's visit to Jakarta last April. Hosted by Industrial Linkages and Academic Internationalization (ILAI) with support from the Faculty of Computing and Multimedia (FCOM), the visit aimed to strengthen academic collaboration in computing and IT. The Vice-Chancellor of UPTM, Assoc. Prof. Dr. Sharifah Syahirah binti Sy Shiekh, together with university management, received the delegation led by Dr. Andrianiingsih, lecturers and 21 students who also participated in an inbound mobility programme and a special 3D Animation lecture by FCOM.

MALAYSIA-TURKIYE YOUTH EXCHANGE PROGRAM 2025

The Malaysia-Turkiye Youth Exchange Program held on 3 July 2025 brought together UPTM students and international participants from Turkiye in a vibrant atmosphere of cultural sharing and new friendships. The event was also graced by the presence of UPTM Vice-Chancellor, Assoc. Prof. Dr. Sharifah Syahirah binti Syed Shiekh, who expressed her support and encouragement to all students. Organised by the UPTM Student Representative Council in collaboration with The Magnificent Society (TMS) and The English Council (TEC), this initiative not only strengthened international ties but also showcased Malaysia's unique heritage to our friends from Turkiye. May these bonds and memories inspire more meaningful global engagements in the future.

UPTM X GLOBAL EDUCATION ALLIANCE

On 8 September 2025, Universiti Poly-Tech Malaysia (UPTM) welcomed delegates from the Global Education Alliance (GEA), Global Executive Education (GEE), and Hang Seng University, Hong Kong. The session explored opportunities in international student recruitment (Myanmar, Indonesia & Central Asia) and transnational initiatives such as student mobility, exchange, training, and edu-tourism. The meeting included discussions, presentations, and a campus tour, laying the foundation for future collaborations. This engagement reflects UPTM's commitment to expanding global partnerships and creating opportunities for international collaboration

UPTM PRESS

UPTM Press is the official publishing arm of Universiti Poly-Tech Malaysia (UPTM), dedicated to advancing knowledge dissemination, academic excellence, and scholarly communication through high-quality publications. Established to support the university's mission in education, research, and innovation, UPTM Press serves as a platform for academics, researchers, and professionals to publish scholarly works that contribute to national and global intellectual development.

UPTM Press publishes a wide range of materials including academic books, research monographs, conference proceedings, journals, teaching modules, and institutional publications. The press is committed to maintaining high editorial and publishing standards through rigorous review processes, professional editing, and quality production practices.

In addition to print publications, UPTM Press embraces digital publishing technologies to expand access to knowledge and support the evolving needs of the academic community. The press also collaborates with faculties, research centres, and external partners in promoting scholarly works and enhancing the visibility of UPTM publications locally and internationally.

Through its publications, UPTM Press aspires to become a reputable university press that nurtures intellectual growth, encourages academic writing culture, and strengthens the university's contribution to society and industry.

UPTM JOURNAL

Welcome to the UPTM Journal, the official publication of Universiti Poly-Tech Malaysia (UPTM). Our journal serves as a multidisciplinary platform for researchers, academics, and practitioners to share their insights, innovations, and discoveries in fields ranging from business, management, education, technology, and social sciences to other emerging disciplines. We are committed to fostering academic excellence by promoting rigorous research and thought leadership at both national and international levels.

UPTM Journal welcomes original research articles, case studies, literature reviews, conceptual papers, and industry-focused studies that contribute to the body of knowledge in their respective fields. We uphold ethical publishing standards and follow a double-blind peer-review process to ensure the quality, integrity, and impact of the research we publish. Our editorial team works closely with authors to support the refinement of their manuscripts and ensure that each publication meets international academic standards.

We encourage submissions from scholars, students, and industry experts alike. Whether you are an early-career researcher or an experienced academic, the UPTM Journal offers an inclusive platform for meaningful exchange of ideas. Together, we aim to advance research that creates practical solutions for societal and business challenges, aligning with UPTM's mission of contributing to sustainable development and global knowledge sharing.

The Asian Journal of Professional & Business Studies

Asian Journal of Professional and Business Studies (AJPBS) is a peer-reviewed, open-access academic journal published biannually (June and December) by Universiti Poly-Tech Malaysia (UPTM). Published biannually, AJPBS provides a platform for researchers, academics, practitioners, and policymakers to share high-quality scholarly work in business, management, professional studies, and workforce development. The journal promotes rigorous research, innovative ideas, and practical insights that contribute to advancing knowledge and addressing contemporary challenges in business and professional practice across Asia and beyond.

International Journal of Communication and Media Studies

The International Journal of Communication and Media Studies (IJCMS) is a peer-reviewed, open-access academic journal published biannually by Universiti Poly-Tech Malaysia (UPTM) and managed by the Faculty of Education, Social Sciences and Humanities.

Established in 2025, IJCMS provides a platform for academicians, researchers, and practitioners to share original research, innovative ideas, and scholarly knowledge in communication and media studies. The journal welcomes empirical, theoretical, and conceptual research covering digital media, journalism, social media, strategic communication, advertising, public relations, media ethics, emerging technologies, and communication in society.

IJCMS accepts manuscripts in English and Malay and follows a double-blind peer review process to ensure academic quality and integrity. The journal supports ethical publishing practices and provides free access to published articles to promote global knowledge sharing.

Jurnal Evolusi

Jurnal Evolusi is a peer-reviewed, open-access interdisciplinary social science journal published biannually (May and November) by Universiti Poly-Tech Malaysia (UPTM). The journal publishes original research that examines change, development, innovation, and transformation within society, organizations, communities, and institutions.

The journal covers four main areas: Business, Entrepreneurship & Innovation; Governance, Organizations & Community Development; Education, Language, Culture & Religion; and Well-Being, Inclusion & Sustainable Development. It also welcomes interdisciplinary research on emerging themes such as artificial intelligence, digital transformation, technology adoption, ethics, sustainability, and social inclusion.

Jurnal Evolusi accepts manuscripts in Bahasa Melayu and English from academics, researchers, professionals, and practitioners, with particular interest in research relevant to Malaysia, Asia, and emerging economies, while remaining open to studies of international significance.

International Journal of Socio-Economy Planning

International Journal of Socio-Economy Planning (IJSEP) is a peer-reviewed academic journal published by UPTM Press. The journal provides an interdisciplinary platform for research in socio-economic development, public policy, strategic planning, sustainability, and related fields.

IJSEP welcomes original empirical studies, theoretical contributions, case studies, and review articles that advance understanding of contemporary socio-economic issues and sustainable planning

AZKA CORNER DIGITAL @ UPTM

Established in February 2023 at Universiti Poly-Tech Malaysia (UPTM), Kuala Lumpur, the 10th AZKA Corner was created through a collaboration with PPZ-MAIWP to promote awareness and understanding of zakat among students, lecturers and the wider public. Initially offering printed publications on zakat, the reading corner provided a dedicated space for learning and reference.

On 13 February 2025, the corner was officially upgraded and rebranded as AZKA Corner Digital, making UPTM the first institution of higher learning in Malaysia to host this digital zakat knowledge hub. Equipped with two computers contributed by PPZ-MAIWP, the facility expands access to digital resources on zakat and waqf, including books, research reports and academic journals published by Akademi Zakat (AZKA), PPZ-MAIWP and other reputable sources.
